## TWO AUTO ARRESTS

City Marshal Boyett made two automobile arrests yesterday, both of which were for exceeding the speed limit. On account of the law not yet being in effect, its publication not having been completed, no complaints were filed, and the parties were not fined. They were given to understand, however, by the marshal that the law will be rigidly enforced and every violator arrested and fined.

## MRS. L. A. SANDERS DEAD.

Friends and relatives in this city have been apprised by wire of the death of Mrs. L. A. Sanders, which occurred yesterday at her home in Ada, Okla. Mr. and Mrs. Sanders formerly resided in this city and the many friends here of the family will deeply regret to learn of the death of this good lady.

## SWATTING FLIES AND 'SKEETERS.

City Health Officer Hunnicutt is making a fly and mosquito swatting campaign by a free use of disinfectants in all streets, alleys, gutters, and other places that are damp and insanitary. The citizens should assist the health officer and see to it that their premises are kept in good, sanitary condition. No water should be permitted to stand anywhere, weeds should be cut, and lime should be liberally used.

Gus Stevener of the Kurten community was in town today and called on The Eagle. He reports a fine rain yesterday, and says he will insure his neighborhood a pretty fair corn crop should they not get any more.

Mrs. Conlee of Grimes County, mother of Sheriff J. D. Conlee, is visiting her son and his family. Mrs. Conlee resided in this county many years ago, and still has a large number of friends among the older citizens of Bryan and the Steep Hollow community.

mine superintendents, Usan, Corea. Last year four A. and M. boys went to Korea and the call for A. and M. has been strengthened as a result of the work they have performed.

There are thirty-seven members of the Senior class in this department and thirty-four of that number will graduate. Practically all of these men have signed contracts for work. Most of them will work in Texas or Mexico.

\*Five men are wanted for inspectors on the levees through the flooded districts. G. P. F. Jouine, '07 A. and M., junior engineer on Mississippi river surveys, with headquarters at Vicksburg, Miss., has written Dean Nagle for five men. These will be paid \$75 per month and subsistence. Beaumont has been offered a position as recorder by T. B. Warden, '03, A. and M., junior engineer in charge of Trinity river improvements, with headquarters at Dallas.

R. J. Grissom of Fort Worth, has accepted a position as professor of mathematics and director of athletics at the Baptist Academy at Bryan.

J. H. Olsen, of Galveston, will be the office man for Julian Field, consulting engineer at Denison.

T. R. Spence has been appointed assistant to County Engineer Windrow in McLennan county.

R. J. Windrow, B. S., '06, who received the degree of civil engineer and who has served during the past year at College as instructor in that department, was recently elected county engineer of McLennan county and has already gone to accept the position.

J. G. Rollins, of Merit, will work as draftsman in the Katy offices at Dallas for C. A. Thanheiser, '01, now engineer in charge of maintenance of ways for the Katy.

R. R. Schroeter, Double Horn, will work with his brother, a consulting engineer in Los Angeles, Cal.

"A. and M. men are wanted all over the face of the globe," said Dean Nagle, in discussing the appointment list. "We have graduates in China, Korea, Africa and the Philippines, in fact in almost every country and most generally they make good. That fact is witnessed by the fact that every time we fill a position for an individual or institution, that in case of vacancy they come to us again."

Notice of appointment as expert station employees for the Argentine Republic Government has been received by three Agricultural seniors and more appointments are being considered according to advices received.
